WELCOME TO THE HORNCHURCH

The Hornchurch is a friendly 55-bed care home offering residential, nursing, and dementia care in a peaceful residential area of Hornchurch.

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans consider individual medical, personal, and dietary needs as well as their hobbies and preferences to make The Hornchurch feel like home.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged. Our team are proud to help residents create a routine that brings them joy.

THE KINDEST POSSIBLE CARE

Each of our comfortable bedrooms can be personalised to ensure The Hornchurch truly feels like a home from home.

We have a variety of communal areas for residents to relax, dine, and socialise. Our beautiful landscaped garden and patio area is the perfect space to enjoy some fresh air, while our on-site hair and beauty salon is ideally placed for a spot of pampering.

With three nutritious and locally sourced meals a day as well as a mid-morning snack and afternoon tea, our residents enjoy a healthy diet based on their individual needs and tastes.

The Hornchurch offers a fun, safe, and inclusive space for our residents, where kindness and quality care go hand in hand.

We look forward to welcoming you
